VS ENVI SINGLE

THE LITTLE ONE THAT PACKS A PUNCH IN CLEANLINESS

The new VS ENVI Single ensures tidiness and cleanliness in areas where space is limited and must be used as strategically as possible. In addition to high-quality waste bin systems, the VS ENVI range now also offers a sophisticated single solution for

smaller houses and urban living. Cost-effective and easy to assemble. Perfect and adaptable for the kitchen or bathroom.

Small is beautiful. As well as smart.

Easy to install: Whether on the left-hand or on the right-hand side, VS ENVI Single doesn't take long to install and can also easily be fitted later on.

Hygienic and convenient: Lid opens and closes automatically along with the unit door.

Smart additional feature: Lid doubles as convenient bin liner storage tray.

Clean and comfortable waste separation in kitchen and bath

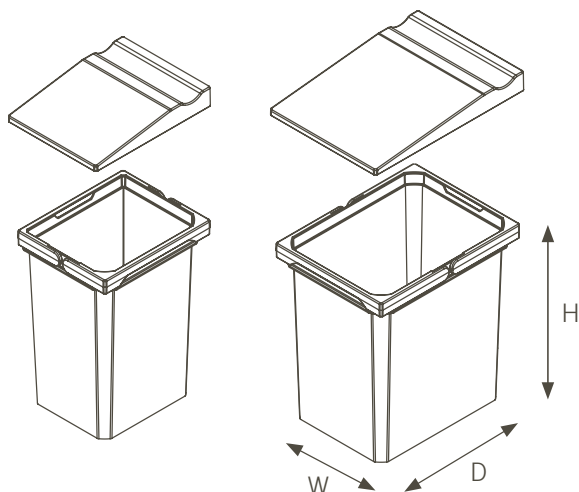

Suitable for use in various areas: Thanks to its minimal depth, VS ENVI Single fits into almost any kitchen or bathroom cupboard.

Easy to clean: All elements (containers, lid and receptacle) are easy to remove, clean and rinse.
